Search For:	▼
Teacher	
Student	
Grade	

- A comment
 - Only Admin can full CRUD
 - Admin can manually add users
 - Version 2.0 Admin can modify school calendar
 - Admin can view all scores and sort by teacher/student
- *Version 2.0 Admin will have an icon that there are pending user requests

Do I want to do a dynamic search option?

Search by Grade would be an excel-like checkbox type option.

Search by student or teacher would be a text box

Sort will be client side
